Petroleum & Natural Gas
Regulatory Board, India

CONFERENCE ON
Chemical (Industrial) Disaster Management (CIDM) :
Emergency Preparedness & Disaster Risk Reduction
in Chemical, Petroleum, Petroleum Products &
Natural Gas Industry

JUNE 30–JULY 1, 2014
AT HOTEL TAJ VIVANTA, LUCKNOW

CONFERENCE ON

Chemical (Industrial) Disaster Management (CIDM) : Emergency Preparedness & Disaster Risk Reduction in Chemical, Petroleum, Petroleum Products & Natural Gas Industry

June 30-July 1, 2014

at Hotel Taj Vivanta, Lucknow

National Disaster Management Authority (NDMA), Government of India; Ministry of Environment & Forests, Government of India; Petroleum & Natural Gas Regulatory Board, India (PNGRB); Federation of Indian Chambers of Commerce and Industry (FICCI) and Government of Uttar Pradesh have joined hands in organizing a Conference to discuss on On-site/Off-site Emergency Planning by Industries, Emergency Response Disaster Management Plan (ERDMP), Hazardous Waste Management (HWM) and Safe Transportation of Petroleum, Petroleum Products, Gases through Pipelines & POL Tankers.

National Disaster Management Authority (NDMA), Government of India was constituted in Sept, 2005 consequent to enactment of Disaster Management Act, 2005. Hon'ble Prime Minister of India is ex-officio Chairman of NDMA. NDMA, as per its inter alia mandate, has brought out National Guidelines on (i) Chemical (Industrial) Disaster Management (CIDM) (ii) Medical Preparedness & Mass Casualty Management and (iii) Chemical (Terrorism) Disaster Management; the objective of the guidelines is to strengthen prevention, mitigation and preparedness measures; minimize accidents; and set up an effective mechanism to respond to disasters.

PNGRB – Petroleum and Natural Gas Regulatory Board, India was established in 2007 subsequent to an Act of Parliament. The objectives of the board are to regulate refining, processing, storage, transportation, distribution, marketing and sale of petroleum, petroleum products & natural gas, excluding production of crude oil & natural gas. One of the functions of the Board is to regulate technical standards and specifications including safety standards. The Board has formulated Technical Standards and Specifications including Safety Standards for City or Local Natural Gas Distribution Networks, Regulations, 2008. It has also finalized the draft Codes of Practice for Emergency Response and Disaster Management Plan (ERDMP) which has been hosted on its website.

FICCI, an apex industry association, has organized several training & education programmes in all major industrial sectors in coordination with accredited Indian and global agencies. Disaster Management has been selected by FICCI to raise awareness of the industrial sector and of NGOs, District & State Authorities including Statutory Agencies as well as all the stakeholders in the community who are most vulnerable during disasters.

The conference will provide a platform for exchange of information and technical know-how to the entire Indian chemical industry including petroleum, petroleum products & natural gas industry. This will also help to reduce, through better emergency planning, the menace of on-site incidents and accidents associated with handling, storage, warehousing and transportation of hot metals/chemicals/oil & gas/petrochemicals leading to off-site emergencies.

Who should Attend

All industries in general and chemical, petrochemical, oil & gas industry in particular because safety in manufacturing, export/import, transportation and storage of hazardous chemicals (HAZCHEM), petroleum, petroleum products & gases is dependent on a sound established framework and best practices.

All persons directly or indirectly involved in industry, isolated storages, container depots, warehouses, ports, transporting agencies (rail, road, maritime), industries having pipeline installations etc.

Primary emergency responders - fire prevention, protection agencies; medicos & paramedics; police, security companies; safety products, equipment, devices & PPE manufacturers; instrumentation, control and automation system organizations

Topics

1. Regulatory Framework & Guidelines for CIDM & Hazardous Waste Management - Strength, Gaps and Amendments
 - Latest Regulatory Framework on CIDM
 - Safe Transportation through Rail, Road and Pipelines
 - Salient Features of ERDMP – Highlighting Major Points for Compliance
 - Trans-Boundary Movement of Hazardous/Toxic Wastes
2. Risk Assessment & Preparation of Disaster Management Plans (DMPs) for Industrial Installations
3. Path to Safety Excellence – The Benchmark Presentation(s)
 - Sugar & Beverages Industry
 - Pulp & Paper Industry
 - Oil & Petroleum Industry
 - Engineering & Steel Industry
 - Chemical Industry
4. Risk Assessment & Emergency Planning in Industries
5. Case Studies / Success Stories on
 - Safe Transportation of Hazardous Chemicals & Toxic Substances
 - Safe Transportation of Gaseous/Liquid Hydrocarbons
 - Prevention & Management of Accidents in Fire Prone Industry
 - Safe Management of Industrial Accidents in Fertilizer & Pesticide Industry
6. Medical Preparedness & Casualty Management of HAZCHEM Emergencies
7. Safe Transportation of Petroleum, Petroleum Products & Natural Gas through Pipelines
 - Salient Features of Emergency Response Disaster Management Plan (ERDMP)
 - Safe Bulk Storage and Handling of Petroleum Products & Gases
 - Operation, Maintenance, Inspection, Safety & Security of Industrial Pipelines
 - Selected Case Studies and Success Stories

Industry Participants :

- Oil & Gas, Refineries, Oil Exploration Units
- Petroleum, Hydrocarbon, Petrochemical Product Suppliers
- Iron & Steel, Foundries & Casting Industry
- Alkali & Acid Manufacturing
- Fertilizers, Pesticides, Insecticides, Pulp & Paper, Textile Industry
- Pharmaceuticals & Bulk Drug Manufacturers
- Ordinance & Explosive Factories, Anti-fire Chemicals
- LPG, CNG, Other Compressed Combustible Gases Unit
- Inflammable & Toxic Gases Units – Cl₂, NH₃, Toluene, Benzene, H₂S, MIC etc.
- Isolated Storages, Gas Storages, Bottling Plants, Oil Terminals, Warehouses
- Port/ Dock Authorities
- SMEs Using and Storing HAZCHEM
- Container Depots/Carriers/Cargo/Logistic Companies
- Industries Manufacturing, Storing Hazardous, Toxic Chemicals
- Organisations Transporting Chemicals, Hydrocarbons through Air, Land, Sea, Railways & Pipelines
- GIS, GPRS, Vehicle Tracking, Satellite Communication Companies
- Industrial Automation, Control, Gas Detection, Instrumentation Companies
- Safety, Security, Emergency & Healthcare Product Manufacturers, Suppliers
- Rescue, Relief and Rehabilitation Measure Providers

CONFERENCE ON

**Chemical (Industrial) Disaster Management (CIDM) :
Emergency Preparedness & Disaster Risk Reduction
in Chemical, Petroleum, Petroleum Products &
Natural Gas Industry**

June 30-July 1, 2014
at Hotel Taj Vivanta, Lucknow

Registration form

I wish to participate as#

Exhibitor

Sponsor

Participant

Name

Title

Company / Organization

Address

Pin Country

Telephone (with City Code)

Fax Email

Bank Draft/Cheque No*

Dated for Rupees/US\$

Drawn on

in favour of FICCI-BISNET, payable at New Delhi towards payment for registration fee# exhibition / sponsorship/
Participant is enclosed.

Beneficiary Bank Details:

- | | |
|---|--|
| 1. Vendor Name | FICCI-BISNET |
| 2. Name & Address of Bank | Yes Bank Ltd., 56, Janpath, Cannaught Place,
New Delhi 110001 |
| 3. Beneficiary Name (if different from the vendor name) | FICCI-BISNET |
| 4. Type of Bank Account | SAVINGS |
| 5. Bank Account No. To which the amount to be transferred | 013694600000053 |
| 6. PAN NO. | AAA CF 1282 E |
| 7. Service Tax No. | AAA CF 1282 E ST 001 |
| 8. TAN No. | DELF02330G |
| 9. NEFT IFSC Code of the bank branch of the Beneficiary | YESB0000136 |
| 10. RTGS Code, if different from NEFT | YESB0000136 |
| 11. MICR Code Appearing on Cheque | 1100532031 |

If by Credit Card:

VISA

MASTER

AMEX

Name of the cardholder

Credit Card Number

Date of Expiry Date

Signatures

Participating Sectors from Outside The Industry :

- Regulatory Agencies, Emergency Responders - Police, Fire, NDRF, Coast Guards, Conservators
- Academia - Chemical Departments, Research Scholars, Professors and Experts
- Community Leaders, NGOs, Consultants, Media
- Hospitals, Trauma Centres, Medicos & Paramedics
- Fire Protection, Fire Fighting, Medical Primary Responders and other Agencies
- R&D, Innovative Technology Institutes & Laboratories

Exhibitors

A two day Expo offers exhibitors an opportunity to network and exhibit their services, products and technologies. The exhibition will focus on the following:

- a. R&D, Technological Innovations, Engineering Designs, POL Tanker Manufacturers
- b. Safety Products, PPEs, Fire Protection, Fire Fighting Systems & Anti-Fire Chemicals
- c. State Disaster Management Authorities, Hazardous Wastes Management Units
- d. Industrial Automation System, Control and Instrumentation
- e. Safety Equipment and Gas Leakage, Monitoring & Detection Devices
- f. Rescue and Relief Equipment, Medical Device Companies
- g. Specialized Ambulances, DM-Medical Kit Manufacturers
- h. GIS, GPRS, Remote Sensing, Satellite Communication for Vehicle Tracking
- i. Cargo, Container, Carrier, Transportation, Logistics Companies
- j. Other Chemical Disaster Management - Safety & Security Service Providers

Participation / Nomination Fee :

Number of Participants	Amount (in Rs.) for Industries Other Than FICCI Members	Discount - FICCI Corporate Members	Discount - FICCI Associate Members
One (1)	10,000/-	7,500/-	9,000/-
Two (2)	19,000/-	14,250/-	17,100/-
Three (3)	28000/-	21,000/-	25,200/-
Four and Above	9000/- for Each Delegate	6,750/- for Each Delegate	8,100/- for Each Delegate

* There will an Additional Service Tax @12.36 % on the fee mentioned above
