

National Disaster Management Authority
Government of India

Petroleum & Natural Gas
Regulatory Board, India

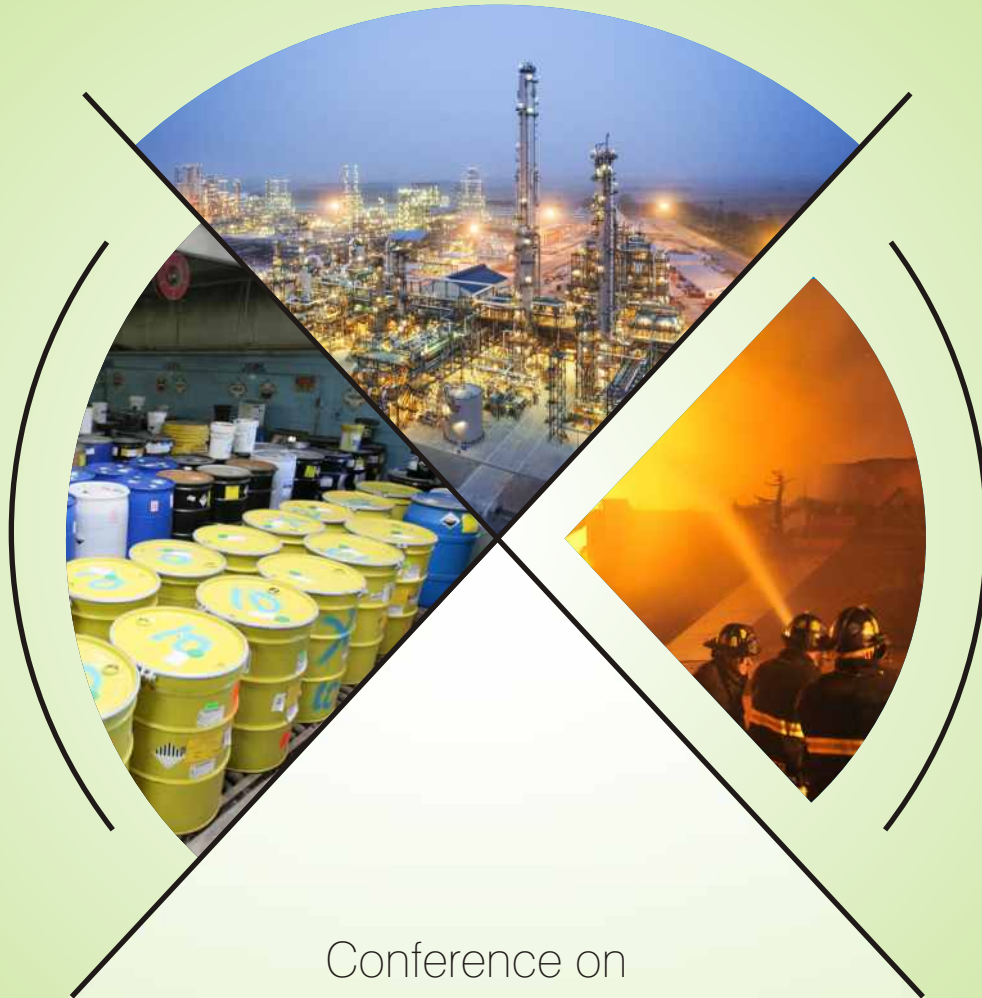

Government of India

Government of Odisha

Conference Dates shifted to November 17-19, 2016

Conference on
**Chemical & Industrial
Disaster Management (CIDM)**

Disaster Risk Reduction Measures in Chemical,
Metallurgical, Petroleum - Gas and Other Industry

November 17-19, 2016

Mayfair Convention Centre, Bhubaneswar, Odisha

Conference on Chemical & Industrial Disaster Management (CIDM)

Disaster Risk Reduction Measures in Chemical,
Metallurgical, Petroleum - Gas and Other Industry

November 17-19, 2016
Mayfair Convention Centre
Bhubaneswar, Odisha

Federation of Indian Chambers of Commerce and Industry (FICCI), an apex industry association, has organized several training & education programmes in all major industrial sectors in coordination with accredited Indian and global agencies. Disaster Management has been selected by FICCI to raise awareness of the industrial sector and of NGOs, District & State Authorities including Statutory Agencies as well as all the stakeholders in the community who are most vulnerable during disasters.

PNGRB – Petroleum and Natural Gas Regulatory Board, India was established in 2007 subsequent to an Act of Parliament. The objectives of the board are to regulate refining, processing, storage, transportation, distribution, marketing and sale of petroleum, petroleum products & natural gas, excluding production of crude oil & natural gas. One of the functions of the Board is to regulate technical standards and specifications including safety standards. The board has notified several regulations such as technical standards and specifications including safety standards for natural gas pipeline networks and city or local natural gas distribution networks, codes of practice for emergency response and disaster management plan (ERDMP), etc.

National Disaster Management Authority (NDMA), Government of India was constituted in Sept, 2005 consequent to enactment of Disaster Management Act, 2005. Hon'ble Prime Minister of India is ex-officio Chairman of NDMA. NDMA, as per its inter alia mandate, has brought out National Guidelines on (i) Chemical (Industrial) Disaster Management (CIDM) (ii) Medical Preparedness & Mass Casualty Management and (iii) Chemical (Terrorism) Disaster Management; the objective of the guidelines is to strengthen prevention, mitigation

and preparedness measures; minimize accidents; and set up an effective mechanism to respond to disasters.

Chief Inspector of Factories & Boilers, Government of Odisha - The Directorate of Factories and Boilers headed by Director of Factories and Boilers (the erstwhile Chief Inspector of Factories and Boilers) looks after registration of factories and boilers, grant of licence, enforcement of safety, health and welfare measures and quality assurance of boilers during manufacture, operation, maintenance, etc.

The conference on Chemical & Industrial Disaster Management - Disaster Risk Reduction Measures in Chemical, Metallurgical, Petroleum - Gas and Other Industry will highlight the ecological fragility of the region (Man made or Natural) and the steps for Sustainable improvement, Role of Industry in the region to promote Indigenous products for Disaster Risk reduction, Business Continuity in Emergency Situation, mitigation measures for Earthquake Mitigation, Landslide & Road Blocks and also finding Solutions to Problems connected with Cloud Bursts and Flash Floods and issues related to Transportation of Hazardous and Toxic materials by Road, Rail and Air. The conference will also discuss on the safe storage and Transportation of Petroleum Products & Natural Gas.

The conference on Chemical & Industrial Disaster Management is being successfully conducted for last ten years under the Chairmanship of PVSM AVSM VSM PHS (Retd) Lt Gen (Dr) J R Bhardwaj, Chairman CIDM and Former Member, National Disaster Management Authority, Government of India, New Delhi. Under this program 29 Conferences/Workshops and Mock Drills have been conducted in various regions of the country.

Topics

1. Effects of Natural Disasters on Industry: Business Continuity Management
2. Regulatory Framework in downstream petroleum & natural gas sector and development of natural gas infrastructure in Odisha, Bengal, Jharkhand, Chattisgarh
3. Hazards Mapping of Industries to Reduce Vulnerability/Casualties
4. GIS as a tool in Disaster Management
5. On-Site/Off-Site Emergency Management Planning & Rehearsals in a MAH Unit
6. Instrumentation, Automation and Interlocking of Controls to Minimize Chemical Accidents
7. Vulnerability of Industry To Natural Disasters
8. Vulnerability Assessment & Risk Reduction In Himachal Pradesh - Landslides and Road Blocks
9. Safety Measures adopted during construction and operation of CGD Networks
10. Integrity management of natural gas pipelines

Who should Attend

All industries in general, Chemical, Aluminium, Iron & Steel, Phosphate & Fertilisers, Thermal Power Stations, Pulp & Paper and petrochemical, oil & gas industry in particular because safety is dependent on a sound established framework & best practices. All persons directly or indirectly involved in industry, isolated storages, container depots, warehouses, ports, industries having pipeline installations etc. would attend the conference.

Apart from delegates from the above mentioned target industries, representation from the following will further enhance the synergy:

- Decision Makers (Secretary-Disaster Management, Labour Commissioner, Collectors, SSPs, CMO etc.)
- Regulators (Department of Industrial Safety & Health, Pollution Control Board, Crisis Management Committee Member, DDMA Members etc)
- First Responders (Police, Fire Services, Hospitals, Ambulances, Revenue Department, Municipal Corporation, Electricity Department, NGOs, Voluntary Organizations, etc.)
- Academicians & Technical Experts from Universities.

REGISTRATION FORM

Conference on
**Chemical & Industrial
Disaster Management (CIDM)**

Disaster Risk Reduction Measures in Chemical, Metallurgical,
Petroleum - Gas and Other Industry

November 17-19, 2016, Mayfair Convention Centre, Bhubaneswar, Odisha

I wish to participate as#

Exhibitor

Sponsor

Participant

Name

Designation

Department/Company/Organization

Address.....

Pin.....

Country

Telephone (with City code).....

Fax.....

Email.....

**For online registration logon to
www.cidm.in**

Topics

11. International Experience in Safety & Inspection of Natural Gas Pipelines in USA
12. Safety measures adopted in Aluminium, Iron & Steel, Petrochemical Complex
13. HSE measures and Disaster Management Plan adopted for a cluster of industries
14. Safety measures adopted in transportation and storage of LPG Cylinders
15. Integrated Hospital Disaster Management Planning for Chemical Casualties
16. Transportation of Hazchem Materials by Road, Rail, Sea
17. Developing Full Containment Model for Toxic Release in Pipelines / Petroleum Storages (Case Study – LPG)
18. Landslides and Avalanches
19. Role of NDRF during and after disasters
20. Specialized Training of Emergency First Responders (EFR) Status of Availability of Necessary Equipment and Preparedness

Industry Participants

- Oil & Gas, Refineries, Oil Exploration Units
- Petroleum, Hydrocarbon, Petrochemical Product Suppliers
- Aluminium, Iron & Steel, Foundries & Casting Industry
- Alkali & Acid Manufacturing
- Fertilizers, Pesticides, Insecticides Industry
- Pulp & Paper, Textile Industry
- Pharmaceuticals & Bulk Drug Manufacturers
- Ordnance & Explosive Factories, Anti-fire Chemicals
- LPG, CNG, Other Compressed Combustible Gases Unit
- Inflammable & Toxic Gases Units – Cl₂, NH₃, Toluene, Benzene, H₂S, MIC etc.
- Isolated Storages, Gas Storages, Bottling Plants, Oil Terminals, Warehouses
- SMEs Using and Storing HAZCHEM
- Container Depots/Carriers/Cargo/Logistic Companies
- Industries Manufacturing, Storing Hazardous, Toxic Chemicals
- Organisations Transporting Chemicals, Hydrocarbons through Air, Land, Railways & Pipelines
- GIS, GPRS, Vehicle Tracking, Satellite Communication Companies
- Industrial Automation, Control, Gas Detection, Instrumentation Companies
- Safety, Security, Emergency & Healthcare Product Manufacturers, Suppliers

Participating Sectors from Outside The Industry

- State Governments of North Eastern region and statutory bodies of North Eastern Region
- Regulatory Agencies, Emergency Responders - Police, Fire, NDRF, Coast Guards, Conservators
- Academia - Chemical Departments, Research Scholars, Professors and Experts
- Community Leaders, NGOs, Consultants, Media
- Hospitals, Trauma Centres, Medicos & Paramedics
- Fire Protection, Fire Fighting, Medical Primary Responders and other Agencies
- R&D, Innovative Technology Institutes & Laboratories

Exhibitors

A two day Expo offers exhibitors an opportunity to network and exhibit their services, products and technologies. The exhibition will focus on the following:

- a. R&D, Technological Innovations, Engineering Designs, POL Tanker Manufacturers
- b. Safety Products, PPEs, Fire Protection, Fire Fighting Systems & Anti-Fire Chemicals
- c. State Disaster Management Authorities, Hazardous Wastes Management Units
- d. Industrial Automation System, Control and Instrumentation
- e. Safety Equipment and Gas Leakage, Monitoring & Detection Devices
- f. Rescue and Relief Equipment, Medical Device Companies
- g. Specialized Ambulances, DM-Medical Kit Manufacturers
- h. GIS, GPRS, Remote Sensing, Satellite Communication for Vehicle Tracking
- i. Cargo, Container, Carrier, Transportation, Logistics Companies
- j. Other Chemical Disaster Management - Safety & Security Service Providers
